Do you need to alleviate chronic pain and stiffness?
Do you need to improve your flexibility and range of motion?
Would you like to reduce the effects of stress and anxiety?
How would you feel if you could be more focused?

Therapeutic massage can play an important role in helping you successfully achieve your health and wellness goals.

We can use many different massage and bodywork techniques so that your sessions will be as unique and individual as you are.

So whether you need to focus on something specific or you just need to take some time for yourself, We can help.

Now, because you are a COMMUNITY CHOICE CREDIT UNION member, you can receive a special offer your first massage therapy session. When you call to make your appointment for a one hour massage therapy session let us know that you are are a credit union member and you will receive 15 extra minutes for free.

Special offer for
Community Choice Credit Union members

Free 15 minutes added on to your one hour
massage therapy session

A \$75 value for \$60

OFFER EXPIRES 12/31/2010
